BCNPHA Salary Survey & Non-Profit Housing Employer's Guide

(Salary Survey price discounted for 2011)

The **BCNPHA 2008 Salary Survey**, which is the first salary survey to be conducted for the sector since 2000, was developed for BC Non-Profit Housing Association (BCNPHA) by Human Resources Consultant, Marsha Goldford. The survey analysis was conducted by BCNPHA staff. Its purpose is to provide non-profit housing providers with comparative data on salaries and benefits. The survey comprises a component of BCNPHA's recent human resources initiative, *The Non-Profit Housing Employer's Guide*. This survey represents the BC non-profit housing sector only.

The **Non-Profit Housing Employer's Guide** is a workbook (includes a CD in MS Word format) which outlines a step-by-step approach to creating job descriptions and pay scales for non-profit housing societies. (Note: this Guide is included with the cost of the *Non-Profit Housing Employer's Guide* workshop, which is offered regionally through BCNPHA).
